Dear Applicant:

The Idaho Department of Water Resources has completed its review of the Application(s) to Sell or Lease Water Right(s) to the Water Supply Bank (Bank). Based on that review, additional information is necessary before the rights offered for lease to the Bank can be accepted.

Water Supply Bank Rules (IDAPA 37.02.03), adopted pursuant to Section 42-1762, Idaho Code, govern the management, control, delivery, use, and distribution of water to and from the Bank. In accordance with Rule 25, Acquisition of Water Rights for the Board's Water Supply Bank, please provide the following:

1. Information that the water rights have not been lost through abandonment or forfeiture as defined by Section 42-222(2), Idaho Code.
2. Evidence to demonstrate the relative availability of water in the source to fill the rights.
3. Evidence demonstrating the extent of beneficial use developed under the rights.
4. Information regarding the historical consumptive use associated with the rights.

Please provide the requested information as soon as practicable so I can complete processing of the applications. If you have any questions, please contact me at (208) 287-4943.

Sincerely,
