Re: Funk/Lebrecht Application to Idaho Department of Water Resources
B & H Matter No: 5843

Dear Mr. Marshall:

I represent two neighbors, Alan Funk and Wulf Lebrecht, who have come to an agreement regarding a "lease" of water, and we felt that it would be most appropriate to do so through the Water Bank.

About six weeks ago, we had sent in an application to lease water to the Water Bank, and an application to lease water from the Water Bank.

The parties are prepared to initiate an irrigation season, and would greatly appreciate attention to this matter. If a request for expedited treatment is appropriate, we would request that you consider this letter as such request; if another form or request is required, we would greatly appreciate your advice accordingly.

Very truly yours,

BAKER & HARRIS
