Re: Funk/Lebrecht Application to Idaho Department of Water Resources
B & H Matter No: 5843

Dear Mr. Marshall:

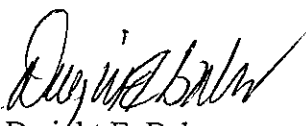

Please consider this letter as a followup to our letter of April 22, 2008, pertaining to the referenced application.

Mr. Lebrecht is prepared to proceed with the irrigation of his crops, assuming there is no objection to the proposed lease. We understand there is an issue as to mitigation, and also understand there may be a fee payable for the water lease.

We once again reiterate our request for an expedited response, given the time of year. Your prompt response would be greatly appreciated.

Very truly yours,

BAKER & HARRIS
