Re: Funk/Lebrecht Application to Idaho Department of Water Resources
License No. 35-08362
B & H Matter No: 5843

Dear Mr. Marshall:

Thank you for your response of January 21, 2009, pertaining to Wulf Lebrecht's application to rent water from the Water Bank, as set forth in the rental application dated April 25, 2008.

Your letter did not specifically make reference to Alan Funk's application to sell or lease a water right (a portion of 35-08362) to the Water Supply Bank; as my letter of transmittal of April 22, 2008 referred to both Mr. Funk's application to lease water to the bank, and Mr. Lebrecht's offer to lease water from the bank, I assume the Department will be addressing both applications.

On behalf of my clients, we want you to know that we appreciate your attention to this matter.

Very truly yours,

BAKER & HARRIS
