Re: Water Right License for the Rathdrum Power Facility, #95-8924

Dear Mr. Allard:

The Department of Water Resources received a letter, dated October 8, 2008, from Tommy Arnett stating the case to increase the annual water use volume for the Rathdrum Power Facility, (copy attached). The letter refers to tables 1 through 8; however, no tables were attached to the letter. Would you please send me the tables so the department can finalize the licensing process?

If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
