RE: Permit No. 47-8438

Dear Ms. Gibson:

Thank you for allowing the City of Filer to submit this "Request for Extension of Time" for proof of beneficial use for Permit No. 47-8438. As I mentioned in our telephone conversation, this well has been constructed and is complete except for the final connections, which are scheduled to be completed along with the new well house later this summer.

Please find enclosed the application for the "Request for Extension of Time", a \$50.00 check for the filing fee, and a copy of your letter dated January 31, 2003 for your reference. If you need anything else, or if I can be of further assistance to you in this matter, please do not hesitate to call me at 733-2414.

Sincerely,

J-U-B ENGINEERS, Inc.
