Mr. Cory Skinner:

In reviewing the physical location of the new well to be located in Section 17, Township 9S, Range 22 EBM, I am not certain which 10 acre tract the well will end up being located in.

In the District's Transfer Application and Drilling Permit Application, I had described the location for this well as being in the NW $\frac{1}{4}$, NE $\frac{1}{4}$, NW $\frac{1}{4}$, of Section 17. I would ask the Department to change both Applications and only show the location of this well in the NE $\frac{1}{4}$, NW $\frac{1}{4}$ of Section 17, Township 9S, Range 22E.

Sincerely,

Dan Temple
Manager
