DATE 11/17/08
RE Ken Neely e Well Links

Communication between Gambel Well 86° F &
W.S. golf course well, cold water?

Probably not unless 1 or more:

- 1) W.S. well warmer temps
- 2) similar geochemistry
- 3) pump test where other well responds

He is not aware of data etc. in dept.
records suggesting linkage between these wells.
