Subject: Water Right Transfers-Eagle View Farms-Visser Holsteins

Dear Jeanie:

Enclosed are copies of two applications we are resubmitting for transfer, water rights for Eagle View Farms being submitted in behalf of Visser Holsteins. Transfer No. 1 proposes to change the place of use of ground water and surface water rights to create a permissible place of use and correct a point of diversion recording error. We have revised the PPU to exclude all non-irrigable lands, and included the description of diverting works as you requested. Transfer No. 2 corrects points of diversion recording errors and updates the current place of use and point of diversion to reflect current operation. We have revised the transfer to include all wells for this stock water/commercial water right 47-2371 as addressed in your letter dated September 25, 2008.

Also included a new check # 8367 in the amount of \$2,440.00 for transfer #1 PPU. We would like to withdraw the previously submitted transfer 74261 and apply the 330.00 paid by check # 7484, receipt S029799, to the department for transfer #2. Please call me if you have additional questions or if any additional information is required. Please copy our office all correspondence.

Sincerely,

Charles E. Brockway P.E. Ph.D.
