Re: Field Report Narrative

After reviewing the Beneficial Use Proof that show 3 POD this permit needs an amendment. The amendment of permit will add a POD that was installed in the time line of this permit. The place of use and beneficial use will be changed to Municipal under the amendment. The wells can produce 2.6 cfs in diversion capacity. The Volume will be limited to 1314.6 AF, 626 homes with ½ ac irrigation. 626 homes x 0.6af is 375.6 AF Irrigation of 313ac x 3AF is 939 AF
