ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, DAVID R. TUTHILL, JR., of the Department of Water Resources hereby approve the above Application for Amendment for Permit No. 98-07750 with the following:

CONDITIONS OF APPROVAL

1. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustration purposes.
2. Three points of diversion are located within Lot 1 (NWNE), S29, T62N, R02E.
3. After specific notification by the department, the right holder shall install a suitable measuring device or shall enter into an agreement with the department to determine the amount of water diverted from power records and shall annually report the information to the department.
4. The issuance of this right does not grant any right-of-way or easement across the land of another.
5. The rate of diversion of water for irrigation under this right and all other water rights on the same land shall not exceed 0.02 cubic feet per second for each acre of land.
6. Place of use is within the area served by the public water supply system ID 1110042 of Cabinet Mountains Water District. The place of use is generally located within Section 29, Township 62N, Range 02E.
7. The right holder shall not provide water diverted under this right for the irrigation of land having appurtenant surface water rights as a primary source of irrigation water except when the surface water rights are not available for use. This condition applies to all land with appurtenant surface water rights, including land converted from irrigated agricultural use to other land uses but still requiring water to irrigate lawns and landscaping.

Witness my hand this 27th day of January, 2009.

DAVID R. TUTHILL, JR.
Director
