Mr. and Mrs. Jenks

Our office has recently been notified of the change in ownership of the property and associated water right record, 47-14343, located in the North ½ of the SE ¼ of Section 2, 11 South, Range 14 East Boise Meridian, Twin Falls County, Idaho. You currently have pending transfer number 73968 on file with the department proposing to transfer water rights 47-16871, 47-16869, and 47-16867 from a farm south of Kimberly to the above mentioned property for stockwater and commercial use. The transfer also proposes to modify the water right, 47-14343, appurtenant to the property.

With the sale of the above mentioned property and associated water right 47-14343 to Mid Valley Farm, LLC there are a couple of options for transfer 73968. The first option is assigning transfer 73968 over to Mid Valley Farm by completing the enclosed form **Assignment of Application for Transfer** and submitting it to the department. After which Mid Valley Farm can continue to pursue the processing of transfer 73968. **Note** that transfer 73968 is currently being protested by a number of parties and is considered a contested case. The second option is to withdraw your transfer application by filling out the enclosed form **Withdraw Application for Transfer of Water Right(s)** and submitting the form to the Department.

Please feel free to contact this office if you have any questions.

Sincerely,

Benny Walker
Water Resource Agent
