PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 92-10030

Dear Permit Holder:

The department acknowledges receipt of the Statement of Completion for proof of beneficial use ("proof statement") and the appropriate filing fee, submitted for the referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm that the water meets the permitted use(s). An examiner will contact you from our Northern regional office in Coeur d'Alene to schedule this visit.

During my review of your proof statement and this water right, I found that your proof statement reflects two domestic households and irrigation of 7.8 acres. This permit is limited to one household and irrigation of 7.8 acres. One of the households is covered by Idaho law and does not require a water right, but the second home and the irrigation use requires an appropriation of water by the State.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or from the department's website at: www.idwr.idaho.gov.

If you have questions, please contact the **Northern** regional office at (208) 762-2800, or me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
