6. Basis of protest (including statement of facts and law upon which the protest is based)

I am protesting this application for permit #63-33063 based on Idaho Code (IC) §42-111. This law states that you have irrigation of up to one-half (1/2) acre of land. The applicant is using domestic ground water to irrigate 4 acres of pastureland, this is 3 ½ acres more than Idaho Code allows. This illegal use of domestic ground water should not be allowed. This unnecessary use of domestic ground water is unacceptable and against State Code and the applicant should use surface water for this purpose. Our domestic ground water is valuable and threatened with this type of usage. If everyone is allowed to use our domestic ground water in this way we will have no water for our domestic use. This is why the State Lawmakers have created this Idaho Code.

7. What would resolve your protest?

The resolution to this protest would be to uphold Idaho Code set forth by the State Lawmakers and deny this application and have the applicant use the surface water created for this purpose and required of all other residents in this State.

NOTE:

A protestant is required to timely file a protest with the department together with a \$25.00 protest fee for each application being protested in order for the protestant to be considered a full party by the department. In addition, the department's Rule of Procedure, IDAPA 37.01.01203, requires a protestant to send a copy of a protest to the applicant.

INSTRUCTIONS

1. The matter being protested must be clearly identified. A typical matter is identified by the application number such as "Application for Permit No. _____ in the name of _____" or "Application for Transfer No. _____ in the name of _____."
 2. Show the name of the protestant. Only one (1) protestant may be shown per protest form. If this protest form is signed by more than one person, the hearing officer will consider the first signer as the official protestant and the representative for service of documents.
 3. If the protestant is represented by an attorney or other authorized representative, show the representative's name. The department then will serve documents on the representative and upon the protestant if specifically requested.
 4. Show the address where the department is to serve the documents. This should be the address of the authorized representative unless the protestant does not designate a representative.
 5. Show the telephone number of the authorized representative unless the protestant does not designate a service representative.
 6. Specifically describe the nature of the protest.
 7. Describe the relief being sought by the protestant.
