PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 67-14250

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use form and a \$300.00 license examination fee submitted for the above referenced permit. The license exam fee for the diversion rate of 8 cfs requires a fee of \$275.00; therefore I have requested that a partial refund of \$25 be mailed to Brad Masingill.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made meets the permitted beneficial use. If you have any questions concerning the field examination, please contact the Western Regional Office in Boise at 208-334-2190. If you have any questions regarding the refund or the processing of these proofs, please contact me at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
