RE: INQUIRING NAME CHANGE

45-7648

Dear Mr. Heidel,

I receive your letter of January 19 inquiring how to go about changing the name on Western Farm Service's water rights. There are two types of business name changes, one is a name change on the business entity and the other is a change to a different business entity. You commented there was a new tax ID number for Crop Production Services so I believe you are in the second change, a different business entity. For me to be able to change water right ownership in this case I will need clear documentations showing a transfer of water right ownership in the form of a deed of some type.

Enclosed is the *Notice of Change of Water Right Ownership* form. Please complete it per the instructions (pages 3 and 4), include the required fee of \$25.00 **per water right** and ownership change documentations. Upon completion, return everything to the Department. Once this packet is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

Thank you for your attention to this matter and should you have any questions please feel free to contact me.

Sincerely,

Carrie Hahn
Clerk
