•Comments: Attached is the Request for Extension of Time form you'll need to file with the department. This form once approved by the department, will extend the proof of beneficial use deadline so that the second phase of your development can be completed. Please complete and ask Judd Ball to sign, since he is on record with the department as the representative for JAB Construction. Submit the form with the \$50.00 filing fee immediately to the nearest IDWR office.
