PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 95-9518

Dear Permit Holder:

The department acknowledges receipt of your statement of completion for proof of beneficial use ("proof") submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code requires the owners of water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,

A handwritten signature in cursive script that reads "Deborah J. Gibson". The signature is written in dark ink and is positioned above the printed name and title of the signatory.
