Subject: Refund request for W036038

I see a note in a file regarding an email to you regarding this receipt. I am not sure how much of a refund was requested or if a refund was even requested. Upon further review of the file, I find that the ownership change cannot be processed for 79-10065 and 79-7063. Also, 79-10064 was active in adjudication at the time the notice was submitted and required no fee.

In any event, a refund of the entire receipt should be given to:

Mir Ali Seyedbagheri
PO Box 2770
McCall ID 83638

Thank you,
Emalee Rushing
