

MEMORANDUM

Date: January 10, 2009
To: Transfer 73904
From: Pam Skaggs
Re: Rejected by Order

An Order issued on 10-23-2008 Rejected the transfer application. The applicant's attorney contacted region staff and requested additional time to supply the required information. The contact was never acknowledged as a Petition for Reconsideration. The required information was never submitted and the Order became final as an operation of law. Transfer 73904 has been Rejected by Order and the database updated to reflect that status.
