Please find enclosed copies of computer generated reports and layouts further describing these breakdowns as per the records in this department. According to our records the property purchased is appurtenant to water right numbers 29-13785, 29-13788, 29-13791 & 29-13794. If the grantor wishes to maintain their portion of 29-13788 (split from 29-206) and all of 29-13785, 29-13791 & 29-13794 the department will require an Application for Transfer be filed by the grantor.

Because the department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary items.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.

Respectfully submitted,
