

## MEMORANDUM

**Date:** January 05, 2009  
**To:** Water Right File 63-33118  
**From:** nvandyke  
**Re:** S.O. review

---

Application for permit proposes to divert a total of 0.15 cfs for domestic, irrigation, and stockwater uses. Place of use is in the northern half of the SW T03N R04W Sec 10 several miles north of Marsing. Existing well is in the NWSW of same section township/range. The upgrade was paid on the well. See 10/10/2008 comments by region staff for additional discussion on application. Recommend approval as drafted.
