Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Carpenter:

Enclosed please find a copy of a letter the department received, from the Department of Fish & Game regarding your application for a water right. The Department of Water Resources suggests you contact Fish & Game, as they have indicated and set up a meeting, on site, to see if there concerns can be satisfied. The person you should probably talk to is Mary Terra Berns.

If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
