Dear Mr. & Mrs. Carpenter:

Please find enclosed a computer generated copy of your application. You will notice that I made some changes and additions that I believe better reflect what we saw "on the ground". These changes/additions included the purposes, amounts, dates of use and the legal description of the point of diversion and place of use.

Please review the application and if it is satisfactory, sign it and return to my attention within 30 days. Include the copy of the USGS map and the aerial photo.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,
