Jeff:

I recently asked Dave Carlson about the above permit, and he told me that it had been voided. I looked on your website, and see that the order voiding the permit was issued on Dec. 4th, but that it was returned. Why was I not included on the service list? I have previously filed documents on the applicant's behalf, and was even referenced in the order, but did not receive anything.

As I previously indicated, I represent the applicant, and we intend to request a hearing. As such, receiving time sensitive documents is of critical importance. Since the document was returned, I presume that the Department is in the process of sending it to the applicant. Please include me in the mailing of this document.
