Erik,

Attached you will see a copy of the envelope as returned to our office yesterday. Please verify what the current address is what we should be using to send information to you. As you can see, the information on the envelope returned to us has a forwarding address but the apartment noted by the postmaster indicates apartment 410, not apartment 215 as you indicate in your e-mail to me. It appears it might have been forwarded to the address at apartment 410

We need to have, at all times, a current mailing address for you as well as a current phone number for contact.

If you will be between two addresses – when you are leaving one area for another, it is important that you send us a note regarding an address and phone number change and note whether or not it is a permanent change or only a temporary change. Same is true for phone contact. If your phone listed below is a cell phone, it would be beneficial if we knew that, since it is from the San Jose area code.

I need to update our records and am wondering if you are going to be using the San Jose address as a preferred permanent address, or if you are going to be using the PO BOX 9 in Viola, ID as your preferred permanent address for mailing...(not G as data entered in our data base because the 9 was written in the original application looked like a G)

I will put the letter in the mail for pickup on Thursday, 9/11, that we attempted to mail to you regarding the status of your application. It has gone through the advertising process without protest, and we will send it on for the next step in the processing of your application toward the issuing of a permit.

Please reply as soon as possible so I know what the permanent mailing address and phone number should be in our data base, so we don't have any more mail returned to us. You should also notify the postmaster at Viola of the correct apartment number for forwarding.

Dear Dianne:

I am shocked the Post Office sent it back. I talked with the postmaster and she said she forwarded it to

9/10/2008

me. I did not relocate in Idaho as planned. My address is:

Erik Thorson, tte
350 Bird Avenue
Apartment 215
San Jose, CA 95126
phone:408-279-0603

Unfortunately, I am hearing impaired and do not have TTY. It would be easier to communicate by email and I ask you for this accommodation so that we can both understand each other.

I just left Idaho last weekend and did not have a chance to come by in person but was hoping your letter arrived here as the postlady said she forwarded it. The PO box is 9 in Viola and maybe there was some sort of mixup.

I look forward to hearing from you. Have you inspected the pond yet?

Thanks,

Erik

Mr. Thorson,

We need a current address for Viking Trust. We need to communicate with you, and mail is being returned from the PO Box G, in Viola, ID. Also, you did not give us a phone number by which to contact you, so we need to hear from you with that information also.

Thank you.

Hi again Dianne:

I did notify the postmaster of the correct address. I think it would be better for now to use the San Jose California address. I do not understand the mixup. Anyways it is:

Erik Thorson
350 Bird Avenue
Suite 215
San Jose, CA 95126
408-279-0603

Thank you for the courtesy and the update.
