RE: Notice of Change in Water Right Ownership No(s). 65-13483

Dear Property Owner(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

Enclosed is a copy of the Notice of Change in a Water Right Ownership you sent our office. The legal description you provided does not match the water right in question. I have attached a copy of the Water Right Proof report and highlighted the place of use, which is in Government Lot 6. According to the map you provided, your property is located in Government Lot 5. If you have any other documents that show this water right should be changed to your name, please send to the address above or fax the paperwork to 208-334-2348.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley  
Office Specialist II  
Western Region Office
