Clarification of Points of Diversions Use
Upon request by Jim Stanton Sr. Water Res. Agent

Gentlemen:

The three existing wells for the Last Chance Ranch are interconnected.
Therefore all wells can supply water for all the corrals if necessary. This property
is being leased by Double A Dairy (Don Aardema).

This data is confirmed as a representative for John Lezami.

If you have any further questions in this matter please feel free to contact
me at the above address or Phone.

Thank You
