and Permit 36-8543

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership of 36-10508, 36-10509, 36-10511, and 36-14500. Computer-generated reports are enclosed for your records.

As 36-8543 is still in the permit stage, an Assignment of Permit form is required. Please complete and return the enclosed form at your earliest convenience. The form must be received before the ownership can be changed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Emalee Rushing
