RE: Application for **Transfer No. 75112**

Dear Applicants:

The Department acknowledges receipt of your application as referenced above. Please refer to the number in all future correspondence.

A legal notice of the application has been prepared for publication. Because your application involves the transfer of a water right in excess of 10.0 cfs, this office has scheduled publication of the application **statewide in the Idaho Statesman, Lewiston Morning Tribune, Post Register, and Times News on 1/8 & 1/15/09**. Submittal of protests to the application will be allowed for a period ending ten days after the second publication. **(January 26, 2009)**

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

Departmental personnel will conduct a complete review prior to final processing of the application and will notify you regarding the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
