Norm:

Lets tentatively set January 30, 2009 @ 10:00 AM-- Western Region Conf. Rm. for a pre-hearing conference.

I will try again to get a response from the BLM over the next couple days. If not, I will send out conference notices on Monday.

John,

My client, Carl Smid, his consultant, Chuck Cuddy, and I are available for a pre-hearing conference on this matter on the morning of Jan. 26, the morning of Jan. 27, the morning of Jan. 29 or, if necessary, the morning of Jan. 30. Please let me know as soon as possible so they can make travel arrangements to come to Boise.

Thanks.

Norm:

Attached are one sided e-mails to Fred Price of the BLM concerning the withdrawal of their protest--no response.

I am going to move ahead and schedule a prehearing conference in January to push an action.

Please provide me some dates in mid January that you are available for a prehearing conference.
