RE: Change in Ownership for Water Right Permit 65-22888

Dear Mr. Charters:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Notarized Signature** for Assignment of Permit

Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. We are returning the paperwork that you sent as we only require the completed assignment form to process the change. The \$25.00 filing fee you sent for the ownership change can be transferred to the assignment.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
