RE: Water Rights Transfer Extension – Transfer 71813

To Whom It May Concern:

With this letter I seek to receive approval for an extension for Transfer 71813 of water right 63-32059. Our current transfer will expire this month (December 2008). The reason for the request of extension is the current economic situation my family and the immediate area is experiencing.

Please understand that we will place the well on the property within the next 12 months. I am not seeking to extend this transfer year after year indefinitely. We have a true desire to move to the property. It just will not happen before the end of 2008.

Thank you for your consideration,

Jason Oswald
