RE: Water Right (Water Right No. 63-32060) Transfer 71813 Extension

To Whom It May Concern:

I'm writing to seek an extension on transfer 71813. Part of the conditions of the transfer was that a well must be installed prior to one year following the approval of the transfer. We have recently purchased a home in South Nampa and do not have immediate plans to further develop the property associated with this transfer. I am currently serving full time with the Idaho Army National Guard and preparing for possible deployment in 2010. I am requesting an extension to Spring of 2012 if at all possible. Please advise if a request must be submitted annually.

Thank you,

POC is undersigned at 208-272-3695 or danial.lister@us.army.mil
