RE: Change of Ownership for Water Right Nos.: 95-731, 95-4358, 95-7617, 95-7719

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Assignment of Permit. Our review of your notice indicates that these Water Rights actually require a change of ownership form; as they are not in the permit stage and licenses have been issued. I am returning your assignment of permit form and am also enclosing the correct change of ownership form. Please submit the change of ownership form for the above stated Water Rights, along with a copy of the deed for the above referenced water rights.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
