Keith,

An Encroachment Permit will be required for water intake for the Department of Lands. Please provide a term in your permit informing the applicant of this requirement. In addition the Department of Lands will forward the applicant a letter.

Thanks,
Carl

Sorry about that. My "sent" e-mail revealed that the request letter was attached but not the application.

Good afternoon, Carl,

Attached is our letter requesting your comments on WR App 95-9543 Carman. Copy of application also attached.

Thanks for your comments - and if you have any questions, please call Keith on this one.

Have a great weekend.
