Ernie

Please send back BLRID's application for the transfer of Point of Diversion of storage water as it pertains to Lower Burnett and Pehrson Ditch. The directors do not want it to go before Pehrson's is approved. And this point I would say refund the funds and we will resubmit new check when we resubmit.

Also could you please enclose a letter that IDWR is reviewing Pehrson's application and while it is not named specifically that IDWR is considering two points of diversion on his application. And whether or not you consider the unnamed item to be the Pehrson ditch. Please include any recommendations that the board should consider based on the interpretation of Pehrson's application.

Please mail back to Big Lost River Irrigation District at POB 205 Mackay, ID. 83251.

Thanks
Dawn
