RE: Water Right Nos. 29-11571, 29-11578, 29-11579 and 29-4396

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence updating the ownership of the above referenced waters. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

The first 3 of the above listed water rights were claimed in the Snake River Basin Adjudication (SRBA) and have decrees issued. The last one (29-4396) has an original statutory claim which was not claimed as part of the SRBA. The statutory claim will become invalid once the final SRBA decree is issued. If you are only irrigating ½ acre, it is possible that one of the other decreed rights covers this use. I have enclosed a copy of the claim for your review.

You can file a motion to file late claim with the SRBA Court, which if granted, would allow you to file a new claim for your existing water use. A late claim would be investigated for validity and accuracy by the Department. If you have questions related to the SRBA, please contact Danni Smith at 208-287-4910.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing, Office Services Sup.
