RE: Transfer 75165

Val Wahlen
1342 South 2700 West
Aberdeen, Id 83210

Dear Mr. Wahlen,

According to the map submitted with the above transfer for the purpose of changing the point of diversion the showed the new well in the NESESE sec. 22 T4S R31E, but the application listed NENESE sec. 22 T4S R31E as the legal description. I'm sure this is a typo, but in order to correct this small error an amended transfer will be needed. I've supplied a computer generated form for your convenience with this mailing.

Respectfully Submitted,

Nate Arave

Sr. Water Resource Agent
