2. medl 10/11/2007 POD

Comment: Updated shape

3. medl 10/11/2007 license review

Comment: While reviewing this file for licensing, I found the following worth noting:

Neither the POD nor the POU shapes had been created prior to my review. I created them based on the field exam notes and map.

The permit holder did not develop stockwater use. I deleted stockwater use from the data entry for this water right and I deleted the stockwater condition from the license.
