PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 63-12361

Dear Permit Holder:

The department acknowledges receipt of the Statement of Completion for proof of beneficial use ("proof") form submitted for the above-referenced permit. The proof was submitted after the due date, therefore, enclosed is an order reinstating the permit. Please note that the priority date for the permit has been advanced to **November 5, 1996**, as provided in Section 42-218a(2), Idaho Code.

Additionally, during my review of your proof, I found that the water right permit has a condition of approval (no. 6) that requires that "[t]he right holder shall install and maintain permanent measuring devices. . . ." If you have not completed this condition, I suggest that the devices be completed prior to the field examination. Enclosed is a copy of the permit for your information.

Please be advised that Section 42-248, *Idaho Code*, requires you as the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office. You may also access the Department's website at: www.idwr.idaho.gov

Should you have any questions concerning this permit or the field examination, please contact either the State Office in Boise at (208) 287-4800, or the Western Regional Office in Boise at (208) 334-2190.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
