RE: Change of Ownership for Water Right: 67-13986

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. Additionally, while conducting the ownership change it was brought to my attention that water right 67-7089 is also appurtenant to the described land and the ownership can be changed following submittal of the proper fees and paper work, if you wish.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
