RE: Notice of Change in Water Right Ownership

Dear Mr. Weber:

The Department of Water Resources is in receipt of your letter dated December 4, 2008. I will try to address each of your questions and concerns noted. I would like to apologize for the confusion.

On December 5, 2006, you submitted a Notice of Change in Water Right Ownership (copy enclosed for reference). At some point the adjudication section completed the ownership change for 4 of the 9 claims listed. In November 2008, the adjudication section forwarded a copy of the notice to the water rights section for completion of the ownership change for the remaining 5 water rights that were decreed by the court in December 2000. At this point we contacted you for further information and the required fees.

In our letter dated December 2, 2008, we mentioned that there were 3 water rights in the name of Keppinger. Two of those rights are still active adjudication claims which have been updated to WT Ranch LP. It was an oversight on our part and I apologize for that. As to the mention of water right 67-2247, this right was not claimed in the SRBA. I have enclosed a copy of a map from the file and the water right report for your convenience. If you feel that this right should have been claimed in the SRBA, you will need to file a motion to file a late claim with the SRBA Court. If you have questions about this process, please call Danni Smith at 208-287-4910.

I am sorry that we did not address your request that water right 67-11280 be changed from Elaine A. Weber to Gary and Cheryl Terry and water right 67-10288 be changed from Elaine A. Weber to Daniel and Ann Weber. This request should have been addressed in our previous letter. Each couple will need submit their own Notice of Change in Water Right Ownership in order to have the corresponding water right changed into their name. The ownership was changed to WT Ranch LP as requested on the 2006 notice.

I am enclosing the forms necessary to change the ownership as requested in your letters dated November 24, 2008 and December 4, 2008. I am returning the quit claim deeds for your use when submitting the new notices. If you have any further questions, please feel free to call me at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
