Change in Ownership

Dear Water Right Holder:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

The Correction deed provided with your notice does not convey the property to WT Ranch Limited Partnership. Please submit either the Real ranch property deed executed on August 28, 1997 or another deed that shows conveyance from 'The family trust of the trust established under the last will and testament of Marvin G Weber' and Elaine Ann Weber to WT Ranch Limited Partnership. Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be **\$125**.

The Department cannot process the ownership change without proper documentation. We will hold your application for **30 days** pending receipt of the necessary information. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
