RE: Water Right No. 67-7825
Change in Ownership

Dear Water Right Holders:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

Signatures on the back of the ownership change form. This form has been returned to you so that you may sign next to the X's I have indicated on the back of the form. Additionally, the \$25 filing fee receipt could not be found from the Timberline Title Company. Please send us either a copy of the receipt or some more information pertaining to the payment; such as, date paid, other names it could have been filed under, etc.

The Department cannot process the ownership change without proper documentation. We will hold your application for **30 days** pending receipt of the necessary information. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
