Denise, I am so sorry. Apparently it did NOT run. I have your email but I have no idea why I did not place it.

Can we run it this week and next? Of course there will be no charge and I will get the affidavit to you as soon as the paper comes out.

Again, I'm so sorry. Let me know if this is possible.

Teri

Good afternoon. I am checking on the status of an affidavit & invoice. I submitted the legal ad, via e-mail on November 13th. It should have been published on November 19 & 26. I received an e-mail from Teri on November 13 saying that it would run.

Do you know if it ran as scheduled? And when the affidavit & invoice will be sent to me?

Thank You,
