RE: Change in Ownership for Water Right No. 67-10245

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

During our review of the documentation you submitted we found some **discrepancies between that documentation and the legal description of the place of use** for the water right indicated in your notice. I have enclosed a copy of the water right for your reference. Also enclosed is a copy of Water Right report for WR 67-11461. I believe this is the water right that is appurtenant to your property.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is **\$100 per water right**. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$25.

Please submit the \$25 fee and note in writing if you would like to change your request from 67-10245 to 67-11461. Please respond to this notice within 30 days, otherwise your request will be returned as unprocessed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Luke Roberts
