IN THE DISTRICT COURT OF THE FIRST JUDICIAL DISTRICT OF THE STATE
OF IDAHO, IN AND FOR THE COUNTY OF BONNER

IN THE MATTER OF THE GENERAL	)	CIVIL NO. 12152
DETERMINATION OF THE RIGHT	)	
TO THE USE OF WATERS OF THE	)	FINDINGS OF FACT, CONCLUSIONS
BLANCHARD CREEK DRAINAGE	)	OF LAW AND DECREE
BASIN.	)	

The Department of Water Resources' Findings of Fact and Proposed Finding of Water Rights was filed with this Court on December 2, 1974; and on January 22, 1975, an amended page 29-30 was filed to correct a typing error. No objections were filed to that report except one by Fielden L. Poirier, Jr. and LaVonna B. Poirier. The Department of Water Resources' response to that objection, dated January 28, 1975, was filed with the Court on January 30, 1975. Thereafter, the objectors, Fielden L. Poirier, Jr. and LaVonna B. Poirier, filed in March, 1975 their acceptance of the Department of Water Resources' response as satisfying their objections.

Therefore, there being no objections to the report as filed by the Department of Water Resources and as amended by new pages 29-30 and the response to objections, and those documents constituting prima facie evidence of the water rights of the persons made party to this action, the Court finds as a matter of fact and law that the rights of the parties are as set forth in those above-described documents and filings of the Department of Water Resources and hereby adopts them as the Court's Findings of Fact and Conclusions of Law.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED That the water rights of the persons made party to this action are
