RE: Change in Ownership of Water Right 17-7153

Dear applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received 6/23/2006. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question including legal description.

The purchase and sale agreement (copy enclosed) received with your application can not be accepted as proof of ownership as it does not provide evidence that the property was conveyed to you. Please submit a copy of your warranty deed, quit claim deed or other evidence demonstrating conveyance of the property to you.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice for 30 days pending receipt of the necessary information. If we do not hear from you within that time, your notice and all attachments will be returned and the ownership change will remain unprocessed.

Please feel free to contact me at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions.

Sincerely,

Dayna M. Ball
