PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 29-13555

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm that the use being made meets the permitted beneficial use.

During my review of the proof you filed, you paid \$100.00 for the license examination fee submitted with the proof filed on July 31, 2008. This right was permitted with a diversion volume of 0.08 cubic feet per second (cfs), which the filing fee is \$50.00. Therefore, I have requested that the State of Idaho issue you a check in the amount of \$50.00. This check will be mailed to you within 7-10 business days.

Section 42-248, Idaho Code requires the owners of water rights to maintain current ownership and address records on file with the department. I have updated the record for this permit to reflect an address change that appears on the proof. If this change is not correct, please notify me immediately. If changes occur in the future, forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161. If you have any questions regarding the refund or the processing of this proof, please contact me at (208) 287-4942.

Sincerely,
